The diagram illustrates a mechanical assembly, possibly a pump or valve, with various components labeled with reference numerals. The assembly is housed within a main body (8) and a base (72). A central shaft (6) passes through the body, with a piston (42) at the top and a valve (46) below it. The valve is controlled by a lever (44) and a spring (48). The assembly is supported by a base (72) which contains a series of stacked components (54, 56, 58) and a central channel (52). The entire assembly is secured by a cover (32) and a clamping mechanism (34, 36).
